

Two icons. One destination.

VistaJet and Valextra collaboration

The VistaJet and Valextra collaboration brings together two pioneering brands, equally passionate about the travel experience and sharing a philosophy centered on achieving exceptional quality through thoughtful design and precise execution.

The exclusive limited-edition collaboration with Valextra introduces the ultimate travel companions, engineered for clients with an eye for exquisite quality, design, and finish.

Introducing Valextra

Valextra, founded in 1937 in Milan, is one of Italy's oldest luxury leather goods brands, internationally renowned for style that transcend time and trends. Valextra travel luggage combines great technical expertise and a passion for crafting objects of desire with purpose. Its pieces have been exhibited at MoMA New York and it has been the recipient of a number of design awards over the past 80 years, including the prestigious Compasso d'Oro.

The exclusive collection

Valextra has created a five-piece custom luggage set available exclusively for VistaJet Members. Taking inspiration from the Valextra archive, each item has been thoughtfully crafted to be suitable for any occasion, in any destination.

The collection is offered in Valextra's signature shade of Pergamena White as well as London Smoke and lined in branded VistaJet red silk. All items are crafted from Valextra signature Millepunte calfskin.

Boston travel bag

The Boston travel bag is a capacious holdall with distinctive style credentials. An ergonomic travel companion for both men and women, for an overnight, weekend or extended stay, thanks to an internal leather panel that expands.

- The comfortable top handle is complemented by a detachable shoulder strap.

Small Costa suitcase

An elegant black lacquered edging runs along the external seams of this timeless luggage, to imbue it with refinement and provide reinforcement in equal measure.

The suitcase zipper can be secured with a small lock with a key and the brass feet contain a small metal sphere which allows them to slide.

- Three pockets interior wall; dual leather compression straps.
- Protective cover available.

Avietta travel bag

The Avietta overnight luggage, the soft Avietta travel bag set the bar for elevated luggage back in 1961, when it was first conceived by Valextra. Engineered to meet the demands of a 48-hour work trip, it has two capacious compartments to separate clothes from paperwork and portfolios.

- The adjustable, detachable strap and comfortable top handles provide two ways to carry.

Medium Costa suitcase

Offered in neutral colors with silver-tone hardware, a red silk lining with VistaJet signature reveals itself in the spacious interior of this traditional case, whose original design goes back to the golden era of traveling.

The suitcase zipper can be secured with a small lock with a key and the brass feet contain a small metal sphere which allows them to slide.

- Three pockets interior wall; dual leather compression straps.
- Protective cover available.

Passport holder

Keep everything you need on the move in one place with the Valextra slimline passport holder. Three card slots with the Valextra signature V-cutout provides space for additional travel essentials.

- Slimline and lightweight design.

This perfect pairing gives our Members the *ultimate choice* in travel — whether for business, leisure, or both.

How to order

Clients can request pieces by emailing privateworld@vistajet.com referencing the item name and color.

The Bespoke team at Valextra will then be in touch to define the smaller details, confirm the order and estimated delivery dates and arrange payment.

Once the order is placed, the item will take between three to five months to be made and delivered.
